

Presentation Style

17WCEE offers three styles of presentation: Oral, Poster and Short Oral Presentation (SOP).

Oral Presentation (OP)

Oral presentations will be given in rooms of conference building and exhibition hall.

Each presenter will be given 12 minutes for presentation including discussion with audiences.

Poster Presentation (PP)

All posters will be presented in the Exhibition Hall during Poster core time in each day. Detailed instructions for preparation of poster will be given beforehand.

Short Oral Presentation (SOP)

Short Oral Presentation (SOP) is a new style of presentation designed for Poster presenter to introduce his/her poster to the audience effectively. Each SOP presenter will have 2 minutes introductory oral presentation as well as Poster presentation.

SOP sessions will be held at the beginning of the each Poster core time as parallel sessions, and around 10 presentations will be included in each SOP session.

Though the SOP sessions are composed of short presentations, session program and schedule will be given in the same manner as those of regular oral sessions.
