

MMIJ Annual Meeting 2026 Application Manual Application Manual

1. Account Registration

■ STEP1 Access the login page.

- ① Access the login page of the web system.

URL	https://mmij.confit.atlas.jp/login
-----	---

- ② Click on “Register a new account”

The screenshot shows the login page with two main sections: 'Check an account' and 'Log in'. The 'Check an account' section has a 'Check an account' button. The 'Log in' section has fields for 'Email address' and 'Password', a 'Forgot Password?' link, and a 'Log in' button. Below the 'Check an account' section, there is a 'Register a new account' section with a 'Register a new account' button. This button is highlighted with a red box and a yellow arrow pointing to it.

- ③ Enter your email address and the password you use to log in to the system.

The screenshot shows the 'Setting an email address and a password' page. It has fields for 'Email address' and 'Password'. A callout box with the text 'Enter your email address and password' points to these fields. Below the password field, there is a checkbox for 'I agree to the Terms of Service and Data Use Policy' and a 'Send email' button. To the right, there is a 'Flow of registering a new account' section with steps 1 and 2.

- ④ Check the “I agree to the Terms of Service and Data Use Policy” checkbox and click the “Send email” button. → [Proceed to the next step](#)

Setting an email address and a password

Email address

Password
Alphanumeric characters and symbols can be used. Type eight characters or more, including uppercase and lowercase letters and symbols.

Confirm and agree to the [Terms of Service](#) and [Data Use Policy](#).

☒ I agree to the Terms of Service and Data Use Policy

⋮ Flow of registering a new account

1. Enter an email address and a password. Click “Send email” to send an account registration code.
2. Enter the account registration code shown in the email you received and authenticate it by clicking “Register account.”
When the code has been authenticated, the login screen will be displayed again. Log in using your registered password.

■ STEP2 Complete the account registration

- ① An e-mail with the subject line “Confit: Checking account registration” will be sent to your registered email address from the system. Copy and paste the “Confit account registration code” (6 digits) from the body of the email into the Account Registration Code text box.

noreply.confit@atlas.jp

Confit account registration code **17 27**

Entering an account registration code
Enter a six-digit number (e.g., 123456).

→ Register account

Flow of registering a new account

Copy and Paste

When the code has been authenticated, the login screen will be displayed again. Log in using your registered password.

※ Email will be delivered from “noreply.confit@atlas.jp”.

If your e-mail software is set to reject e-mails not from a specific sender, please allow e-mails from “@atlas.jp” so that you can receive them.

- ② Click on “Register account”. → [Proceed to the next step](#)

Entering an account registration code
Enter a six-digit number (e.g., 123456).

→ Register account

Flow of registering a new account

1. Enter an email address and a password. Click “Send email” to send an account registration code.
2. Enter the account registration code shown in the email you received and authenticate it by clicking “Register account.”
When the code has been authenticated, the login screen will be displayed again. Log in using your registered password.

■ STEP3 Register your contact information for password reset

Once the account registration process is complete, the password reset contact information setup screen will be displayed. If the password reset contact information has already been registered, the setup screen will not be displayed, and you will proceed to the My Page.

When your registered e-mail address is no longer available due to a change of affiliation or other reasons, you will be able to reissue a password using your pre-registered e-mail address or mobile phone number for password reset. We recommend that you set up both settings, otherwise you may not be able to recover your account.

Please refer to the following links for the respective registration procedures.

[<A> Register your email address for password reset](#)

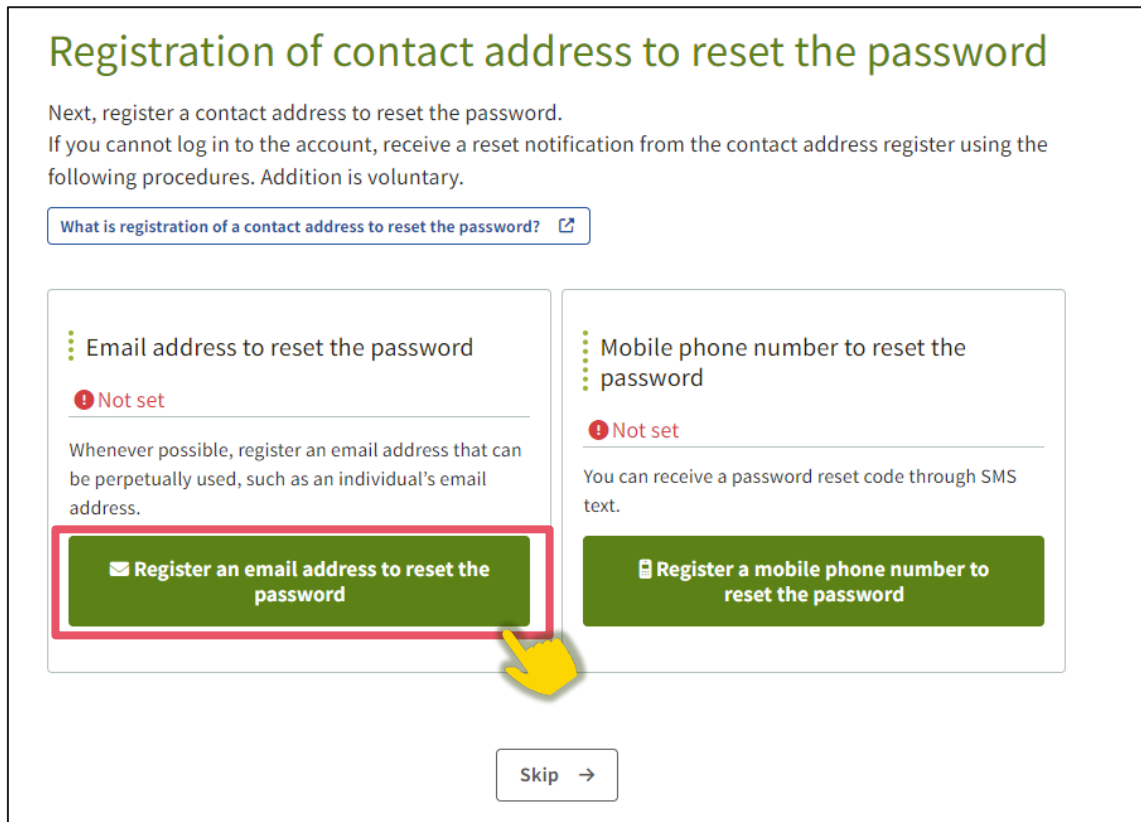

[Register your mobile phone number for password reset](#)

[<C> Proceed without registering both email address and mobile phone number at this time.](#)

※<A>, , and <C> are not all required steps. Please select the procedure you wish to register from <A>, , and <C>.

<A> Register your email address for password reset

- ① Click on “Register an email address to reset the password”.

Registration of contact address to reset the password

Next, register a contact address to reset the password.
If you cannot log in to the account, receive a reset notification from the contact address register using the following procedures. Addition is voluntary.

[What is registration of a contact address to reset the password?](#)

Email address to reset the password

❗ Not set

Whenever possible, register an email address that can be perpetually used, such as an individual's email address.

✉ Register an email address to reset the password

Mobile phone number to reset the password

❗ Not set

You can receive a password reset code through SMS text.

☎ Register a mobile phone number to reset the password
